## **DIVERSITECH'S "ORIGINAL" GRILL PAD FACT SHEET**

**THE PRODUCT:** The "Original" Grill Pad® deck protector; a flexible fiber cement protective blanket that is placed beneath outdoor chimineas, fryers, smokers, charcoal or gas grills to protect deck, dock and patio surfaces from grease stains, food spills and incidental sparks or debris.

Unique characteristics enable the 1/4-inch thick pad to breathe, thus preventing water entrapment between the pad and deck surface.

Pads are heat- and weather-resistant, have a textured, slip-resistant surface and clean easily with a garden hose. They are chip-resistant and lightweight – 7 lbs. for the 30-in. round and 12 lbs. for 30-in. x 42-in. rectangle or oval. Pads feature a "built-in" oval handle for easy carrying.

The grill pads are available in five vibrant colors to compliment any décor. Choose from earthtone, brick red, big green, berry black or granite gray.

**THE COMPANY:** Manufactured by DiversiTech Corporation, the world's largest manufacturer of equipment pads for the HVAC/R industry and a leader in ultra-light concrete technology.

**PACKAGING:** Packages are printed in both English and Spanish in the U.S and English and French in Canada. Packed in attractive, space-saving display shippers.

**AVAILABILITY:** Available at hardware stores, mass merchandisers, hearth & patio shops, home centers, supermarkets and wherever grills and barbecue accessories are sold. Also available in many catalogs and online at [www.grillpad.com](http://www.grillpad.com). The "Original" Grill Pad® is available in Canada at Canadian Tire and London Drug stores.

**SUGGESTED RETAIL PRICE:** MSRP is \$25.00–\$30.00 for rounds, \$30.00-\$35.00 for the larger rectangular or oval pads.
